You need to attach verified copies of proof of identity, qualifications you have gained at high school and since leaving school.

What's a verified copy?

A 'verified copy' is a photocopy of an original document that has been signed and dated for authenticity by one of the following: Justice of the Peace (JP) or Notary Public; Doctor or General Practitioner; Deputy Registrar and/or Officer of the Courts; Minister of Parliament (MP); Solicitor; Police Officer; Military Personnel; School or Deputy Principal, Teacher; Board of Trustees Member; School Careers Advisor; Public Trust; WINZ Staff; Church Minister/Rector; Kaumatua; Registrar of a tertiary institution or Deputy; University Academic, or University Administrative staff.

All verified copies must be notarised (signed and/or dated) on the front of the document.

Do not send faxes or copies of verified copies.

The signatory **must identify** their official designation and location on the front of each page of the copy (preferably with an official stamp) and write the following words (or words to the effect): "This is a true copy of an original document that I have sighted".

Failure to provide correctly verified documentation may lead to withdrawal of access to services such as library facilities, computer laboratories and, ultimately, the withholding of examination results.

Please do not send us original documents. If you do send in originals then Massey University does not guarantee secure return of these documents to you.

Admission to graduate and postgraduate qualifications

Postgraduate programmes include Honours and Masters degrees as well as Postgraduate Diplomas and Certificates. Note that students applying for admission to a doctoral programme should refer to the Graduate Research School web pages at <http://grs.massey.ac.nz> for admission procedures.

Graduate programmes include Graduate Diplomas and Certificates (with the exception of the Graduate Diploma in Business and the Graduate Diploma in Logistics and Supply Chain Management which are undergraduate qualifications).

Recognised entrance qualifications for Graduate and Postgraduate programmes differ by programme and you should refer to the admission requirements for your programme of choice on the Study at Massey web pages at <http://study.massey.ac.nz>, or in the relevant enrolment book. Generally, graduate and postgraduate programmes require students to hold one or more of the following:

- a relevant Massey University degree with above average achievement as measured by grade point average
- a relevant degree from another New Zealand tertiary institution with above average achievement as measured by grade point average
- a relevant degree from a recognised tertiary institution offshore with above average achievement as measured by grade point average
- relevant practical, professional or scholarly experience equivalent to that of a graduate. Note not all graduate and postgraduate qualifications permit entry on this basis.

Entrance to graduate and postgraduate study is usually programme and major specific, and may have conditions attached. Applications require at least 15 working days to process. You should apply well before the start of the semester in which you intend to study.

Verified transcripts from all of your previous tertiary study are essential if you are applying for graduate or postgraduate programmes unless you completed your previous degree at Massey University.

English language requirements

All students studying at Massey University are expected to be able to write grammatically correct English, read English actively and with understanding, listen to and discern key points in spoken English and speak English freely and clearly. Procedures also exist for those students who wish to submit written work or examinations in Māori.

All international students whose first language is not English will be required to provide satisfactory evidence of their English language proficiency in the form of an academic IELTS or TOEFL score. More information is available on the International students web pages at <http://international.massey.ac.nz>.
