

To whom it may concern

I would like to make known of my association as a working colleague of Mr Brendan Mitchell for a period of two years in the development of the off-shore program through the Perth Institute in Vietnam. During this time we completed tasks associated with restaurant/kitchen developments and curriculum for Commercial Cookery and Advanced Diploma Hospitality Management (operations) Certificate II – Advanced Diploma Hospitality management.

The position of Principal in which the duties Brendan Mitchell is responsible for, is many and varied from management and development, implementation of courses through Perth Institute in Vietnam college “Uc - Viet Training Centre 741-743 Le Hong Phong, P.12 District 10 Ho Chi Minh City” in Hospitality Management and Certificate III Commercial Cookery.

During this time Brendan was a most competent colleague to work with and an asset to the program and with the qualifications attributed to his name made him a most confident and complete person in fulfilling a role of this magnitude. I have been impressed with Brendan’s efficiency and conscientiousness to any task put on his desk and the assistance in the continuous improvement of the program.

I wish Brendan every success in his future endeavours and would have no hesitation in recommending Brendan to an employer as I believe he would be an asset to any organisation.

For any further information you may require please contact the writer.

Yours sincerely
