CAMPUS REVITALISATION**

Following up from the first staff and student Reimagining our Spaces event in late July a drop-in session was held for students on 15 August.

This session was held in the central MUSA lounge on Concourse, with an enticing sausage sizzle at the entrance.

Te Tira Ahu Pae lent their barbeques and equipment, and SaGE staff and student workers accompanied the senior Estates team in cooking and serving kai.

Students were invited to engage in the event through writing, discussing, and/or drawing their views.

The session was a success with over 175 attending and contributing valuable insights into what they would like to see in a reimagined campus.
