

MASSEY UNIVERSITY

Introducing the Direct Entry English Pathway for Undergraduate Study

Choose to study at Massey University because:

When you make a decision to study at Massey University you are choosing a University that is like no other. Massey University is characterized by the applied nature of many of its teaching and research programmes and by its special expertise in the fields of sciences, design, social sciences, education and business. It has a proud international record of using this expertise to work with developing countries, and its focus on technology and business is also meeting new international demands.

Massey University is an integrated university operating across three major campuses (Auckland, Palmerston North, and Wellington which are all cities in New Zealand's North Island). Staff in many areas are internationally renowned. Leading edge research is being

undertaken at all three campuses and in collaboration and partnership with communities, other research and educational providers, as well as industry in New Zealand and around the world.

Choose to study the Direct Entry English Pathway for Undergraduate Study because:

Successful completion guarantees you meet the English language entry requirement into pre-degree/foundation or unrestricted undergraduate programmes e.g. Bachelor of Business Studies (BBS), and Bachelor of Arts (BA), at Massey University. Entry to your next programme of study depends on your performance in assessments throughout the course. You **do not** need to sit an external examination at the end of the course.

Campus Availability

Albany in the city of Auckland
Manawatu in the city of Palmerston North
Wellington

Programme Entry Requirements

- You can enter this Pathway with 5.0 IELTS in each band or equivalent.
- Candidates can staircase from the appropriate Certificate in ESOL or sit the Pathway placement test.
- You need a conditional offer of place for your next programme of study at Massey University (conditional on English only).

Programme Structure

This pathway is a 16 week full time internal course taught over 17 weeks. There are two eight week teaching blocks with a one week mid-course break. Two papers will be undertaken in the first eight week teaching block, and two papers in the eight weeks after the one week mid-course break. A total of 72 credits over four papers will be completed. Regular intakes are offered to enable successful candidates to commence their next programme at the beginning of the next semester.

Candidates must pass all four papers to be eligible for the award of the qualification.

192.020 Academic Reading and Writing 1 18 credits

192.021 Language Skills for Academic Study 1 18 credits

192.022 Academic Reading and Writing II 18 credits

192.023 Language Skills for Academic Study II 18 credits

Candidates must successfully complete 192.020 before proceeding to 192.022 and must successfully complete 192.021 before proceeding to 192.023.

At the completion of the programme candidates will demonstrate proficiency in academic English and learning strategies and skills appropriate for successful study in the New Zealand tertiary context. Candidates will be able to;

- Read, and comprehend first year academic texts.
- Listen to, understand and take notes in lectures and gain effective study skills for university study.
- Produce well written academic essays and assignments.
- Present formal oral presentations and contribute effectively to tutorials.
- Use basic software applications and undertake library research.

Classes will be taught with no more than 16 students per class. Papers will be delivered in small group tutorials and seminars, lectures, experiential learning activities and workshops.

To gain university admission candidates must achieve the following overall grades; for

Certificate in Foundation Studies	C grade average (50%)
Certificate in University Preparation	B grade average (60%)
Undergraduate degree	A grade average (75%)

In addition to gaining university entrance candidates who successfully complete this programme will be awarded a **Massey University qualification.**
